

Summer Scholars Program

This summer each high school in the South-Central Ohio area is invited to nominate outstanding high school students who will be juniors or seniors this fall to become an Ohio University-Chillicothe Summer Scholar. Students must rank in the top 20% of their class.

Each Summer Scholar may enroll in one, 1-5 credit hour freshman level course on the Chillicothe campus During either five week Summer Session listed below.

First Summer Session – Begins Monday, June 21

Second Summer Session – Begins Monday, July 27

Should a student enroll in an additional freshman-level course, the fees charged will be at the current rate of \$139 per credit hour. Each student will be mailed registration instructions.

Please note that these courses are not offered to replace a high school subject and do not carry high school credit. Students will need to purchase textbooks which average \$100 per course.

Nomination forms will be given to eligible students before March 31st. Forms should be returned to the guidance department no later than April 20th so that they may be forwarded to OU-C by the May 1st deadline.
